

Certificate of participation

Presented to

Saara Hasan

in recognition of participation at the 2019 program of

Academy of Moving People & Images (AMPI)

Academy of Moving People and Images is a platform in Helsinki for mobile people - those who have arrived in Finland for different reasons, be they immigrants, asylum seekers, students, or employees. Our aim is to design a new learning model and a sustainable pedagogical platform where people who have arrived in Finland from different backgrounds get to contribute to the film industry, and initiate change.
